

Seven Proof Points condensed | Proving the Lord's return for Yom Kippur 2015
Last Trumpet Org Ministries | Pastor Douglas Nicholson | www.lasttrumpet.org

1. **Israel is back in the land.** May 14th 1948
2. **The age of a generation 70 or 80 years?** Which to use? Psalm 90:10 .Israel is now 60 years plus of age and before Israel reaches the age of 70 the Lord Jesus will return. Again trying to use the age of 80 for Israel's max age for this prophecy of the Lord's return date will not work because the Jubilee year of 2015 occurs before Israel's 80th birthday and the next Jubilee after that is too far out of range. So only this upcoming Jubilee year will work. No other Jubilee's will possible work to fulfill this prophecy!
3. **The two Yom Kippurs.** Yeshua started His ministry on Yom Kippur (Luke 4:16-21) and can only return on Yom Kippur and a Jubilee year. The next one will occur on Yom Kippur 2015. September 23rd 2015.
4. **Daniel 9:25, a first and second coming prophecy of Messiah Yeshua** based on the rebuilding of the walls of Jerusalem. June 7th 1967 Jerusalem was recaptured. Then just add seven weeks of years (49 years) from Daniel 9:25, this broking down into days added on top of June 7th 1967 and comes out to Yom Kippur 2015 to the very day. You have to use prophetic years which are 360 days per a prophetic year. There are reasons for this.
5. **Proving the needed "2550" days** from the book of Revelation. You add Daniel 12:11 (1290 days) plus Revelation 12:6 (1260 days) and you get 2550 days. Not all Sabbatical cycles will work for this given math problem. Is it 86 or 87 moons? Also other prophetic prophecy events that have occurred during this sabbatical cycle makes this sabbatical cycle the only one that will work and the last sabbatical cycle before the Lord's return on Yom Kippur 2015, September 23, 2015.
6. **Blood Moon Tetrads** very rare and very prophetic. Blood moons are mentioned in Joel, Isaiah and elsewhere. Three blood moons before "Day of the Lord" Yom Kippur and one blood moon just after the tribulation. Times of Jacobs's troubles are the last three and half years.

7. **Gaza would be forsaken,** Zephaniah 2:4. Well Gaza was given up recently on August 22nd of 2005. This occurred just before the start of this sabbatical cycle which began on September 29, 2008. All things considered we are in the 70th week of Daniel beyond any doubt and the Lord's soon coming for Yom Kippur 2015.

World War I prepared the land of Israel for the Jews with the Balfour decree (In Matthew 24:7-8, **the sorrows** is speaking of the birth pangs of WWI and WWII which gave birth to the nation of Israel)

World War II brought the Jews back to the land of Israel and that gave birth to the nation of Israel 1948 (Isaiah 66:8 **a nation be born at once?** for as soon as Zion travailed, she brought forth her children)

World War III will bring Israel to Salvation and the return of Adonai Yeshua "Jesus" on Yom Kippur 2015 (Hosea 5:15 I will go and return to my place (heaven), **till they acknowledge their offence**) That is Israel will have to admit that they wrongly tried Yeshua "Jesus." Israel will then have a retrial **in the last ten days**, during the days of AWE and will find Yeshua completely innocent of all charges and also read [Isaiah 53](#) (which speaks of Messiah Yeshua) as part of their proclamation of finding Yeshua completely innocent of all charges against Him. Then in this passage of Hosea is speaks of Israel. Hosea 6:2 After two days will he revive us: in the third day he will raise us up, and we shall live in his sight. (Then the Messiah of Israel will return to earth a few days later on Yom Kippur to deliver Israel from its enemies) This is when the world will come face to face with God! **Face to face** is a Yom Kippur idiom.
